FISCAL POLICY CHALLENGE SUCCESS

Our Fiscal Policy Challenge Team of **Dania Alsagoff, Nina Edwardes, Jess Grant and Alex Grieve** were flown back to Treasury in Wellington recently to receive their prizes for coming Second in this national competition. The competition involved researching the issues behind New Zealand's poor economic growth performance, suggesting a range of options to address this issue, and then evaluating the benefits and trade-offs of their recommended policies. The girls initially wrote an essay to qualify for the finals, and in the final had to present a submission to a panel of Treasury economists and Victoria University professors.

The judges were so impressed with the quality of their entry and their presentation that the girls were flown back to Treasury to do their presentation again to the Treasury staff. They were then invited to the Beehive to discuss their ideas with the Minister of Finance.

OUTSTANDING RESULTS IN THE ETON SENIOR MATHEMATICS COMPETITION

Every year the top Year 12 and 13 Mathematics students across New Zealand enter the Eton Senior Mathematics Competition. This year there were over 1200 entries. **Clara Todd** achieved an outstanding result which placed her in the top 100 of students who entered the competition.

Congratulations, Clara.

CONGRATULATIONS

We are pleased to announce that **Meg Lay** will be the Student Trustee on the Board of Trustees for 2013-2014.

Best wishes for this important position Meg.

PRICEWATERHOUSECOOPERS ACCOUNTING SCHOLARSHIP WINNER

Congratulations to Jessica Grant, 13BLY, who has been awarded a PwC Accounting Scholarship. This entitles her to \$7,000 towards her university fees, a PwC staff member to mentor her during her study and a paid summer internship. Coming on top of the prizes she has won in both the Fiscal and Monetary Policy Challenges, this is becoming quite a lucrative year for Jessica!

Congratulations also to her Accounting teacher, Mrs Harrington.

THE COLOURS ASSEMBLY

The Colours Assembly was held on 24 September. 28 students were awarded full Colours in both sporting and cultural fields. Full Colours is recognition of both high achievement and dedicated service in a chosen activity, and takes students 2-3 years to achieve. Gold award recipients were also announced – this award is for those students who have achieved the first steps towards a full Colours certificate. Special thanks must go to **Georgie Clifford** of Year 13, who at the last moment, stepped into the speaker's role and gave an interesting and motivating account of her own journey to gaining Colours and what it meant to her. We would also like to thank the parents who attended the assembly to watch their daughters receive their award.

We would like to encourage all students to consider setting the achievement of full Colours as a personal goal. Further information on this can be obtained from Mrs Brown or Mrs O'Connor.

CUDDON MARLBOROUGH TWO DAY CYCLE TOUR

With a slightly smaller than normal team we travelled to north end of the Island. This year the weather was a lot kinder than previous years. We stayed once again at the legendary Bings Motels, although it was very nice to be slightly "upgraded" to two back units. The tour kicked off with a 3km individual time trial. This was followed by some tight racing around the local go-kart track and each group completed a criterium race. On day two, there was an early start, with a hill climb time trial at 8.30am for the U15 Girls. After a short rest the last event was a Road Race for each age group.

All of the girls competed strongly and grew in confidence as the events progressed. The results were as follows; U15 Girls - **Christine Lambley** 1st (Overall GC and Queen of the Mountain), **Kate Smith** 5th GC, **Aleisha Scott** 11th GC. U17 Girls **Jessica Kikstra** 9th GC.

A special thank you to the parent helpers; Sandi Scott, who cooked, cleaned and took amazing photos. Ian Lambley, who helped with equipment and mechanical issues. Also Louise Green provided added support and encouragement for the girls.

LITOFF SCHOOLS CYCLING TEAM TIME TRIALS

Christchurch Girls' High had two exceptional results in the Litoff Schools Cycling teams' time trial. The time trial consists of a 16km out and back circuit, starting from the Prebbleton Domain.

The strong wind made for a very hard, challenging time trial, but everyone worked together, which ended up in Girls' High getting a silver and bronze medal. Kate Smith, Natasha Dickison, Alice Commons and Georgia Bushell won the silver medal for the U16s with an outstanding ride; and Alice Bennett, Jess Kikstra, Christine Lambley and Olivia Gray won the bronze medal in the U20s. A very successful day for Christchurch Girls' High cycling team.

SOUTH ISLAND SECONDARY SCHOOLS SKI AND SNOWBOARD COMPETITION

While everyone was at home last Friday for the teacher only day, the Girls' High ski and snowboard team was driving the six hour drive to Wanaka for the above competition. The competition was run on Saturday and Sunday with events for snowboarders and skiers including the halfpipe, giant slalom and gravity cross. We had brilliant weather for the two days skiing and snowboarding at Cardrona and gained some great results. **Georgia Bushell** came 2nd in the Ski Giant Slalom and 3rd in the Ski half pipe and our Ski team came 3rd. **Fiona Brunton** came 3rd in the Snowboard halfpipe and our Snowboard team came 2nd.

Well done to everyone who came along and competed, we had a lot of fun. Thank you to Mrs Passchier, Miss Helmore and Mr Dixon who made this all possible.

GET 2 GO CHALLENGE

CGHS entered two teams in this year's Get 2 Go Challenge event run by the OPC. The teams competed against other high school teams around the wider Canterbury and West Coast regions. They participated in four events throughout the day including mountain biking and orienteering sessions based at Burwood Forest. The other two events were based at Lake Rua and included some canoeing, raft building and problem solving. The girls worked well together and had a lot of fun in the sun.

CHALLENGE

BASKETBALL AND NETBALL A TEAMS HEAD OFF NATIONALS

After a very successful winter tournament week for these two teams, both are heading off to their respective Secondary Schools' National Championships in the coming holidays.

The A Basketball Team competed in the SISS Championships in Nelson in tournament week. They started very strongly in their pool with two very comprehensive wins and continued on to be undefeated in the tournament. They played Rangiora High School in the final, winning with relative ease 71 to 56. The team are now South Island Champions! They head to Palmerston North in the first week of the holidays to take on the rest of New Zealand.

Back Row: TH Stirling, Polly Hill, Meddy Hyde, Grace France, Tessa Hartland, Sophie Cornish, Maia Hart, Grace Ritchie, Tess Boagni
Front Row: Laken Wairau, Ashlee Fane, Sapphire Wairau, Gabby Edmondson

The A Netball Team had a very successful South Island tournament which took place in Christchurch at Hagley Park. It was great to play locally and the team enjoyed a lot of support from friends and family. During pool play they had some close games, winning them all – one game by one goal on the final whistle! The tournament progressed to post pool play and the team continued to win which was very exciting for those both on and off the court. By the end of Friday the team had made semi-finals and as such had qualified for Nationals. Again great joy for the team! They eventually finished fourth

Back Row: Amy Smith, Annabel Adams, Elise Le Compte, Georgina Flynn, Ali Mathews, Maisie Evison
Front Row: Becky Jenkins, Lily Fletcher, Emma Hartland, Amy Chamberlain

overall and are now preparing for Nationals which takes place in Auckland in the second week of the holidays.

We are very proud of both teams: they have a few weeks of intense training ahead of them however - we look forward to hearing their results. Good luck to both teams and their coaches - T H Stirling (basketball team) and Lucy Newton (netball team).

NEW ZEALAND BASKETBALL SUCCESS

Tessa Boagni is off to Jakarta, Indonesia! She has been named in the New Zealand under18 women's 3X3 basketball team who are contesting the FIBA World Youth Championships which begin in Jakarta on Thursday 26 September. We congratulate Tessa and wish her well for her trip.

SATURDAY NETBALL SUCCESS

CGHS had 4 teams who made it to finals in the Christchurch Netball Centre competition.

The **A team** were in the Senior Reserve final on Saturday 7 September, playing Marist Albion. The game was close throughout however the team pulled ahead in the final quarter to win 32 – 24. The win means the team start the 2014 season in the Senior 2 grade.

On Saturday 14 September CGHS had 3 junior teams in finals. The **Year 9C team** played Villa Maria in the final of the Under 14 Div 2 grade. This game was very close and very exciting! At the end of the 40 minute game the score was locked in a draw which meant the girls had to play another 2 halves of 7 minutes each. On a beautiful hot day (for spectators!) this was definitely telling on our team who could not maintain their winning way and ended up second for the season, losing 31 – 40.

The **Year 10A team** played St Margaret's in the final of the Under 15 Div 1 grade. They finished their season in style winning, 33 – 19. This was an amazing feat as the team had a couple of players feeling unwell (Hannah Hutchison and Grace Cartwright knew all about this!) and a couple of injured players. This

team has had an outstanding season winning every competition available to them. Their coach, Chante Botica, has drilled and skilled the girls very well!

The **Year 9A team** played Villa Maria in their final – the under 14 Div 1 grade. This team was also involved in a very exciting game. Towards the end CGHS were ahead but the Villa did not wilt and got within 1 to have all supporters on their toes and cheering very loudly! When the final whistle blew CGHS were the winners by 2 goals, 31 – 29. Coaches, Georgia McCrae and Rosie Stewart, were very happy, as were the team and their families and friends. Again this team have won all competitions they have been involved in which is amazing.

We congratulate all four team on their performances – CGHS netball is looking good for the future!

FIRST XI FOOTBALL - NATIONAL SECONDARY SCHOOLGIRLS TOURNAMENT

Tournament week saw the First XI Football team travel to Nelson to contest the National Secondary Schoolgirls Tournament. This was the first appearance by our school at this level for a number of years; so it was a reasonably young, inexperienced and excited team

The goal of the week was a top 20 finish, in the 32 team competition, which would guarantee our position at this level for next season.

Pool play was a rapid introduction to the level of Football required to compete at a national level, but the team acquitted themselves well in three close loses; including a close 1-0 loss to eventual finalist Rangitoto College. This meant that the team had a crucial second round game against Trident HS. After a tense 0-0 we kept our nerve to win 4-2 on penalties.

This put top 20 in our grasp if we could win the next game against Pukekohe HS. Again it was drawn in normal time, and again penalties proved no obstacle with another 4-2 victory.

Win top 20 guaranteed the rest of the week was about giving the whole squad valuable experience at this level as we built for the future. The team finished 20th, and the top Christchurch School.

Top 20 is a significant achievement in a first appearance at nationals and all the girls have gained valuable experience in the standard of football played by North Island schools. The challenge for the squad now is to really target a top 16 position next season.

HOCKEY REPORT

The hockey season has now finished with excellent results from all teams. The 1st XI travelled to Rotorua to compete in Federation Cup, and after drawing the "Pool of Death" with St Margaret's College and Auckland Diocesan, the team performed well to draw with Diocesan and only lose 1 nil to St Margarets. Both of these two teams progressed to play each other in the final so our 9th placing was the best we could achieve unfortunately dashing our hopes of progressing to the top eight. However, we have secured a place in the Federation Cup for the 2014 tournament.

The 2nd XI once again performed extremely well at Chris Arthur Cup in Palmerston North to take out the Championship for the second year in a row in a thrilling final against St Margaret's College. They then came home and got up again on the Saturday to win the SPL Division Two final against Rangī Ruru, so an excellent season for the team.

In the local schools competition, the 1st XI finished in 4th place in SPL Division 1, 2nd XI finished 1st position in SPL Division 2, the Hawks (3rd XI) finished

1st in U18 Division 1, the Falcons (4th XI) finished 4th in U18 Division 1 and the Keas (5th XI) finished 3rd in U18 Division 2. So all teams placed in the top 4 positions in

the competition which bodes well for the future of our hockey.

Special thanks go out to all the Coaches and Managers who have given up their time to look after our teams this season, also thanks to our hard-working committee and Ms Boyd (TIC of Hockey) for all their efforts throughout the season. Also thanks to all the parents who have supported our teams this season and travelled away to tournament to cheer on the girls – this is greatly appreciated by all players.

Kerri Paterson

2ND XI HOCKEY TOURNAMENT

This year the 2nd XI travelled to Palmerston North to take part in the Chris Arthur Cup, as defending champions. The goal was to win the cup again. In the first 3 days we played five pool games and won four of them convincingly securing a spot in the semi-finals, only losing to the top of our pool, a very strong team from Whangarei Girls' High, unfortunately we lost to them 3-nil. Our semi-final was against Waikato Diocesan and at full time was a nil all draw, so it went down to strokes and then sudden death. After a very stressful few minutes, we scored the first goal and advanced through to the finals against our old foe, St Margarets. The final game had a feeling of déjà vu, as this was the second year in a row we had versed them in the final. The girls left everything on the pitch and after a great game the result was tied 1-1, we went into a golden goal (where the first team to scores wins the game). In the second half of overtime, Shannon Gordon scored the goal of the tournament, resulting in CGHS being the first team to win the cup twice. We were fortunate enough to have a great coach and fantastic managers; our success really was a true team effort.

Molly McPhail, Team Captain

Principal & PTA Reports

Dear Parents and Caregivers

As you read this Term 3 will be coming to a close. Looking back we have managed to fit in a great deal in a nine week term. It also brings home how close the end of the year is – senior students now have less than 20 school days until they finish and sit NZQA examinations. Those 20 or so days are however, very busy with completion of internals, feedback on examinations and revision and planning for the NZQA examinations. Juniors also have their examinations November 11-13 and should be planning their revision towards these.

Tournament week was very successful for us. The senior Basketball team won the South Island Tournament in Nelson – avenging their loss to Rangiora High School in the Friday competitions. The Netball team made the semi-finals in their tournament in Christchurch. These two teams are both off to the Nationals in the holidays – good luck to both teams. The 2nd XI Hockey team won their tournament and the 1st XI team retained a place in the Federation Cup. The Football team finished a creditable 20th in the national championships, retaining a spot in the top group for next year – accommodation has already been booked in Taupo. This is a great achievement considering we have a number of Year 9 and 10 students in the squad. Finally our cyclists did very well in the Blenheim cycle event at the start of tournament week.

The school network is currently being upgraded (or partly upgraded) and as a result of this we will have a wireless network across the whole school for the start of 2014. A wireless network brings with it a great number of questions – What access should students have? What devices should be allowed? Should a device become a required item for the students? We are currently working through these and many other questions to come up with the best way to utilise this resource to enhance teaching and learning. I mentioned that it was a partial network upgrade, it is partial in that it is only a wireless upgrade in buildings identified as requiring repair work or replacement because of earthquake damage. (The main building and the Mathematics/Technology block). Other blocks/buildings are getting both a wireless upgrade and an upgrade of the hard wiring and switches. Recently however we have had indications that the possibility of repair as opposed to rebuild of some of these buildings is still being investigated – the auditorium included! We are still awaiting further announcements regarding the Greater Christchurch plan for education, beyond knowing we are staying on this site there is still much unknown and we can only wait.

I hope you have an enjoyable break from school; if you are travelling,

take care, encourage your daughter to spend time planning their revision programmes and looking at how best to use their time in Term 4 and spare a thought for those students travelling through Greece, Italy, Germany and France - it is a tough life for some.

Peter Sawyer, Acting Principal

Hi to all Parents and Caregivers

Where did the third term go! These months are just flying by. Thanks to everyone included in the organisation of our recent market day and a big thank you to all those that came along to enjoy the day.

Well done to all the teams that attended the recent tournaments up and down the country.

With a new term starting all our girls will be getting prepared for their upcoming exams and we do wish them all the best and know that they will give it their best effort.

Thank you also to the parents that attended the recent parent's forum that gave you the opportunity to assist with the appointment of our new principal.

We do hope that you would have had a look at our new PTA page on the upgraded CGHS website where you can access our range of house hold products and keep up to date with what is happening with your PTA.

Unfortunately due to our recent extreme weather we had to cancel our regular daffodil day but thank you to all of our helpers that had offered to assist with the sales and hopefully we can make up for the lost sales next year.

If you would like to attend our monthly meetings you would be most welcome to come along as our meetings are informative and helpful and there is always an opportunity to ask questions of the school and the BOT as Mr Sawyer (acting Principal) and a BOT representative are usually in attendance.

Our next meeting is on Monday 4th November.

On behalf of the CGHS PTA thank you and look forward to seeing you at some stage.

SUBJECT CHOICE AFTERNOON

On the afternoon of Wednesday 11 September a very good turnout of students and parents took the opportunity to discuss 2014 subject choices with teaching and careers staff. It is pleasing to see this annual event continue to be so well supported.

SECONDHAND UNIFORM SALES

Thank you for continuing to support the secondhand uniform sales. The PTA sees this as a valuable service that provides good quality clothing at reasonable prices. We have a good range of sizes in all summer and winter uniforms. There are frequent sales, usually the last Friday of each month. 70% of the uniform selling price is returned to the seller with the remaining 30% used to benefit the school. Garments may also be donated.

The secondhand uniform sales shop is located at the back of the Gymnasium at Christchurch Girls' High School, accessed from Matai Street. Payment is by cash or cheque only.

The next sales are:

Friday 27 September - 3.15 - 4.00pm End of Term 2

Friday 25 October - 3.15 - 4.00pm

All garments offered to us for sale must be clean and only excellent quality clothing will be accepted. Please label each garment with owners full contact details. Kilts and blazers are to be dry-cleaned.

The shop is only open on sale days and will not be opened for one-off requests. Payment is by cash or cheque only. Any enquiries please telephone:

COULD IT BE DYSLEXIA?

There are a number of students at CGHS who have an identified specific learning disability (SLD) or dyslexia. If you think your daughter may have an SLD, has struggled with learning to read, has been part of the reading recovery programme or accessed learning support in primary school, she may benefit from having an assessment from an outside agency or complete some assessments at Learning Support.

We are really keen to identify those students who are currently in Year 10 and are going to begin NCEA in 2014 who may meet the criteria for special assessment conditions entitlements, such as reader, writer, and/or extra time, for NCEA assessments.

If you think your daughter may have a learning difficulty but has not been assessed, please contact Toni Jones, Learning Support co-ordinator, on 348 0849 extension 730 or by email at toni.jones@cghs.school.nz to find out more about possible assessments the school is able to offer or names of outside agencies, who will provide an assessment at a cost of approximately \$500.00.

If you want to know more about dyslexia, the school is hosting a screening in the staff room of *The Big Picture: Rethinking Dyslexia* on Monday evening, 21st October, at 7.30pm, in week 2 of Term 4. All are welcome to attend: students and their whanau.
